Free Snap-on Webinar on Gasoline Direct Injection System Overview and Testing

LINCOLNSHIRE, Ill., Oct. 20, 2021 –Technicians are invited to join Snap-on® National Trainer for Diagnostics Jason Gabrenas for a webinar covering gasoline direct injection (GDI) overview and testing on Thursday, Oct. 28 at 8:00 p.m. ET / 7:00 p.m. CT / 5:00 p.m. PT.

While GDI has been around for a while, it can still be a technology surrounded in mystery. Gabrenas will discuss the subject of gasoline direct injection system design and operation as well as component operation and testing. The session will finish up with an opportunity to ask questions.

The free webinar is in partnership with *Professional Tool & Equipment News* (PTEN) and *Motor Age*. To register to attend, click [here](#).
