## Media Alert

### Snap-on TSS Products Available for Demonstrations at NADA

**Conway, AR – Jan. 22, 2024** – Snap-on<sup>®</sup> Total Shop Solutions (TSS<sup>™</sup>) will have several of its innovative products on display and available for demonstrations at the 2024 National Automobile Dealers Association (NADA<sup>®</sup>) show being held Feb. 1-4 at the Las Vegas Convention Center in Las Vegas, Nevada.

TSS products will be showcased on-site at various locations on the *NADA* show floor. At the *Stellantis*<sup>®</sup> booth (#1463W), the award-winning John Bean<sup>®</sup> V3300 diagnostic wheel alignment system will be available for demonstrations. Designed for high-volume shops, the *John Bean V3300* diagnostic wheel alignment system provides immediate, precise alignments, while its intuitive notification system helps to prevent errors before they result in a bad alignment.

Also at the *Stellantis* booth, the [Challenger Lifts](#) 12K heavy-duty two-post adjustable and the 5K medium-duty mobile column lifts will be featured, along with the [Pro-Cut X15](#) on-car brake lathe and the B17 bench lathe. Car-O-Liner<sup>®</sup> will have its [Car-O-Tronic<sup>®</sup> Vision2](#) electronic measuring system at the *Stellantis* booth for demonstrations, as well.

In addition, the Challenger Lifts 12K heavy-duty two-post adjustable lift and the Pro-Cut X15 on-car brake lathe will be on display at the Toyota<sup>®</sup> Motor North America booth (#2465W) for show attendees to view and try out, while at the Ford<sup>®</sup> booth (#4762W), the Pro-Cut X15 on-car brake lathe will be featured.

The unique Snap-on [Build-a-Bay<sup>™</sup>](#) service area will also be onsite. *Build-a-Bay* is the ideal solution for service and parts departments and provides increased productivity and efficient parts storage for dealerships.

#### **About Snap-on Total Shop Solutions**

Snap-on Total Shop Solutions is a family of Snap-on brands that brings together best-in-class automotive repair products. From wheel balancers, wheel aligners and diagnostics, to brake lathes, automotive lifts, and collision repair, Total Shop Solutions offers a broad range of innovative products to outfit your shop floor to ceiling.
