## **Snap-on Tool of the Month: New CT561QC Impact Driver**

**KENOSHA, Wis. – April 13, 2011** – Looking to make an impact on those tough jobs that might be rusted or over-torqued? Snap-on's new 1/4-inch Cordless Impact Driver (CT561QC) is designed to make those tough jobs a lot easier and make a big "impact" on your productivity.

"Our Impact Driver is designed to take on the tough jobs that may have resulted from screws or bolts that have either been 'over-torqued' or need more torque than a screwdriver can provide," said Rodger Isetts, product manager for Snap-on. "It's a powerful and versatile tool that is sure to ease your workload and will allow you to do more tough jobs during the course of the day."

The Snap-on 1/4-inch Cordless Impact Driver (CT561QC) kit includes the tool plus two batteries and a charger in a soft-sided case. It can be used for automotive and industrial repairs as well as HVAC, electrical, plumbing, white goods, assembly and construction. Its applications include rusty bolts and screws, metal working, self-tapping fasteners, anchors, tek screws and tapcan screws."

Some of the features of the CT561QC include:

- Square drive 1/4" hex
- Torque output 300 in lbs (34 N.M)
- Free Speed 2,500 RPM
- 3,000 blows per minute

Customers can find out more about Snap-on's 1/4-inch Cordless Impact Driver (CT561QC) by contacting their Snap-on franchisee or representative, visiting [www.snapon.com](http://www.snapon.com) or by calling toll free 877-SNAPON-2 (877-762-7662).
