## Snap-on Must-Have Tool: New Open End Box Speed Wrench Set

**KENOSHA, Wis. – February 21, 2012** – Getting the job done right, but fast, is important to any professional service technician. The new Snap-on® 10-piece Ratcheting Open End Box Wrench Set (SRXRM710) does just that, helping you perform more jobs efficiently and effectively.

“Our new open-end speed wrenches will make an immediate impact when it comes to helping service technicians improve their performance in the service bay,” said Jennifer Marchewka, product manager for Snap-on. “The open end features a patented speed wrenching configuration that delivers more speed and accessibility than conventional wrenches. In addition, the wrenches are incredibly durable and built to provide comfort and balance. Our new speed wrenches are a ‘must have’ for every service tech’s toolbox.”

The features and benefits of the new Snap-on 10-piece ratcheting open end box wrench set (SRXRM710) include:

- Speed open end provides quick, ratchet-like action
- Flank Drive® wrenching system on box end provides up to 20 percent more turning power with less risk of tool or fastener damage
- Up to 80 gear teeth for minimal movement in tight areas
- Box ends are offset 15 degrees for clearance
- Sized for optimum comfort and balance
- Nickel-chrome plating helps protect against corrosion and makes it easy to wipe clean

Customers can find out more about the new 10-piece ratcheting open end box wrench set (SRXRM710) from Snap-on by contacting their participating Snap-on franchisee or representative, visiting [www.snapon.com/handtools](http://www.snapon.com/handtools) or by calling toll free 877-SNAPON-4 (877-762-7664).
