## Snap-on Tool of the Month: Welding Creeper

**KENOSHA, Wis. – December 11, 2012** – Designed for safety as well as comfort, the new Snap-on® Welding Creeper (JCW60WLD) is the perfect addition to any environment that does welding and cutting.

“The new Snap-on Welding Creeper is the ideal solution for customers that do metal fabrication jobs and need to gain access under vehicles,” said Mike DeKeuster, category manager for Snap-on. “It will withstand slag and spatter burns when welding or cutting and is extremely comfortable and durable. If your shop does any kind of welding or cutting work, then you need the new Snap-on Welding Creeper.”

The features and benefits of the *Snap-on* Welding Creeper (JCW60WLD) include:

- Westex® Indura® fabric offers resistance to flash fire, molten metal, and welding exposures
- Fabric and foam pad meets California Technical Bulletin 117, Section E, and UFAC Class 1 for flammability
- Fire-retardant, heavy-duty 5/8 inch thick plywood and high density foam padding for comfort
- 16-gauge, 3/4 inch square-tube steel frame designed with ample shoulder clearance

The dimensions of the *Snap-on* Welding Creeper (JCW60WLD) are 40 inches long, 17 inches wide and four inches high. The headrest pad is two and 3/4-inches thick and the pad is one and 3/4-inches thick, while the creeper also has ball-bearing swivel casters and only weighs 16 pounds.

Customers can learn more about the new *Snap-on* Welding Creeper (JCW60WLD) by contacting their participating Snap-on franchisee or representative, visiting [www.snapon.com/shoptools](http://www.snapon.com/shoptools) or by calling toll free 877-SNAPON-4 (877-762-7664).
