## Snap-on Tool of the Month: CT525 Micro Cordless Impact Wrench

**KENOSHA, Wis. – May 29, 2012** – There is nothing small about the impact of the Snap-on® ¼-inch Square Drive Micro Cordless Impact Wrench (CT525) in the service bay. This versatile tool will help you get the job done quicker, allowing you to perform more tasks during the course of the day.

“Our new micro cordless impact is ideal for getting at those tight, hard-to-reach areas like under the dash or for the installation and removal of automotive interior components,” said Rodger Isetts, product manager for Snap-on. “This durable and powerful tool is easy to use, comfortable in your hand and has a 55-minute battery charge time that will allow you to work for longer periods of time. Because it can be used for such a wide variety of applications, every service tech should have one in their toolbox.”

The *Snap-on* ¼-inch Square Drive Micro Cordless Impact Wrench (CT525) features an over-sized forward/reverse cushion toggle-style trigger, allowing you to quickly toggle from forward to reverse with one hand operation and less finger stress and strain. The glass-filled nylon housing is durable with high impact strength for longer tool life. The maximum torque for the CT525 is 50 ft lbs.

The *Snap-on* CT525 includes a 7.2 volt cordless screwdriver (CT525DB), two battery packs (CTB5172), battery charger (CTC572) and soft-sided case (CTSC1), and can be used for a broad range of engine applications, such as Ford 4.6 liter, Briggs & Stratton, Tecumseh and motorcycle engine applications, and a variety of repairs, including:

- Fender bolts
- Valve cover bolts
- 12mm oil and transmission pan bolts
- Under dash fasteners
- Installing door lock assemblies
- Small engine repair
- 12mm fasteners and smaller
- Splash shield removal and installation
- Water pump pulley bolts
- Fan shroud bolts
- Interior seat removal and installation

Customers can find out more about the *Snap-on* ¼-inch Square Drive Micro Cordless Impact Wrench (CT525) by contacting their participating Snap-on franchisee or representative, visiting [www.snapon.com/powertools](http://www.snapon.com/powertools) or by calling toll free 877-SNAPON-2 (877-762-7662).
