Snap-on Tool of the Month: TechAngle™ Torque and Angle Wrench

Save Time; Make More Money with this Productivity Enhancing Tool

KENOSHA, Wis. – September 1, 2009 – You hear it over and over again everyday; time is money. By using Snap-on's TechAngle™ Torque and Angle Wrench (ATECH3FR250) on a daily basis, you will save yourself a ton of time which hopefully leads to more business and more money.

"With the Snap-on TechAngle™ Torque and Angle Wrench you will be able to book more hours with fewer customer comebacks," said Mark Knapp, product manager for Snap-on. "In the two applications we studied, one on a Chevy 5.7L V8 and the other on a Ford 3.8L V6, service techs saved between two and five minutes per head bolt using the TechAngle™. That resulted in 68 to 80 minutes of book time saved during the course of a day using TechAngle™. This is definitely a tool that will increase your productivity while also increasing your bottom line."

The features and benefits of the Snap-on Snap-on's TechAngle™ Torque and Angle Wrench (ATECH3FR250) include:

- Measures inches per pound (in-lb), feet per pound (ft-lb), nanometers (nm) and degrees at the touch of a button
- Torque accuracy ± 2 percent clockwise (CW), ± 3 percent counterclockwise (CCW), 20 percent to 100 percent of full scale
- Angle accuracy ± 1 percent of reading ± 1 degree at angular velocity >10 degrees/sec <180 degrees/sec
- Each button has only one function (power on, select unit of measure, increase/decrease fastener torque setting, increase/decrease fastener angle setting)
- All models include three "AA" batteries for power
- Comfortable, non-slip grip handle
- Stand on handle bottom keeps tool from rolling off flat surface
- Sealed key pad keeps out dust and grit prolonging tool life
- High strength, sealed ratchet head eliminates routine maintenance
- Flex-head ratchet moves 15 degrees in both directions

2801 80th Street, Kenosha, WI 53141 phone (262) 656-5200

- All models have a low battery indicator and auto-shut-off (after two minutes idle)
- Designed to withstand shocks without failure
- Splash-proof, protects against water and most shop chemicals

Customers can find out more about the Snap-on TechAngle™ Torque and Angle Wrench (ATECH3FR250) by contacting their participating Snap-on franchisee, visiting www.snapon.com or by calling toll free 877-SNAPON-2 (877-762-7662).
