Snap-on Driver Ryan Briscoe Captures Indy 300 at Kentucky Speedway

Second Win of Season Moves Briscoe into Season Points Lead

KENOSHA, Wis. – August 3, 2009 – By only 0.0162 of a second, Snap-on driver Ryan Briscoe captured the Indy 300 at the Kentucky Speedway last Saturday. It was Briscoe's second win of the season and the victory moved him into first place in the IRL season point standings.

"What an exciting win for Ryan and Team Penske," said Alicia Smales, vice president of marketing for Snap-on Tools. "It has been such a great year for all three Team Penske IRL drivers as each of them has won at least one race this season. With Ryan and Helio both in the top four in the point standings, there will be a lot of attention on the IRL the rest of the season and it looks like the point standings championship could go down to the final race of the season."

Briscoe's teammate and Snap-on sponsored driver Helio Castroneves finished fourth overall at Kentucky and remained in fourth place in the season points standing. Team Penske will be back in action on August 9 when they compete at the Indy 200 at the Mid-Ohio Sports Car Course in Lexington, Ohio.
