Snap-on NO COMPROMISE TOUR™ Still Going Strong

KENOSHA, Wis. – April 9, 2009 – The Snap-on NO COMPROMISE TOUR™ continues to be a big hit wherever it goes. After drawing huge crowds at the NHRA Gatornationals in Gainesville, Fla., the Snap-on Tools NO COMPROMISE TOUR™ also made stops throughout the state of Florida in March before heading into Georgia and North Carolina for the month of April.

“We have received great feedback from our customers and franchisees at all of the NO COMPROMISE TOUR™ stops. They love to see for themselves the latest Snap-on has to offer,” said Alicia Smales, vice president of marketing for Snap-on Tools. “The stop at the Gatornationals was extra special because Snap-on’s NHRA drivers were able to stop by and interact with Snap-on nation. Make sure you catch the tour if it comes to your area. We promise you will have a great time.”

The Snap-on Tools NO COMPROMISE TOUR™ is open to the public and provides visitors with the opportunity to speak with Snap-on officials about how Snap-on tools can help them get the job done faster and easier. This unique expo includes interactive tool demos, displays and Snap-on’s one-of-a-kind show car, the Glo-mad™ '57 Chevy.
