Snap-on NO COMPROMISE TOUR™ Heads to TECHSPO

TECHSPO is the Largest Trade Show for Technical Education

KENOSHA, Wis. – June 8, 2010 – Snap-on supports future technicians in many ways, including working with the non-profit organization SkillsUSA to ensure America has a skilled work force. As part of that commitment, the Snap-on NO COMPROMISE TOUR™ will be a part of the annual TECHSPO, the largest trade show for technical education to be held at the Kansas City Convention Center June 22-24. The hours for the Snap-on NO COMPROMISE TOUR™ stop at TECHSPO will be 9:00 a.m. to 4:00 p.m. on those same days.

“This will be a special stop of the NO COMPROMISE TOUR™ with additional tour storage, power tools and hand tools that are geared more towards students and the educational setting,” said Alicia Smales, vice president of marketing for Snap-on Tools. “Snap-on has been involved with SkillsUSA for over 30 years, but this is the first year Snap-on has had an outdoor space at the annual TECHSPO event. We’re excited to show students the chopper, Glo-mad™ '57 Chevy and all the other displays in the NO COMPROMISE TOUR™.”

The Snap-on NO COMPROMISE TOUR™ is open to the public and provides visitors with the opportunity to speak with Snap-on officials about how Snap-on tools can help them get the job done faster and easier. This unique expo includes interactive tool demos, displays as well as the Snap-on chopper and Snap-on’s one-of-a-kind show car, the Glo-mad™ '57 Chevy. Don’t miss a chance to see the best of Snap-on.
