## Snap-on Classics: FAR72C Reversible Air Ratchet

**KENOSHA, Wis. – June 26, 2012** – The Snap-on® 3/8-inch Reversible Air Ratchet (FAR72C) still sets the standard when it comes to performance and efficiency. This versatile and durable air ratchet can be used for a variety of jobs, giving Snap-on customers the performance and productivity they expect from a *Snap-on* air ratchet.

“The *Snap-on* 3/8-inch Reversible Air Ratchet remains the classic when it comes to air ratchets,” said Jim Martin, product manager for Snap-on. “Powerful yet easy to use, our reversible air ratchet features steel wear bushing for increased durability while the tip valve style trigger provides a much more efficient air flow and increased feather-ability.”

The *Snap-on* Reversible Air Ratchet (FAR72C) features:

- 65 ft. lbs. max torque and 225 RPM free speed
- Exhaust sleeve rotates 360 degrees to direct air away from the work area
- Patented grease fitting in selector knob to keep ratchet head lubricated
- Heavy duty ratchet head with field replaceable square drive
- Inlet bushing with brass screen keeps dirt out
- Patented stop-lock pins prevent pawls from locking up
- Large shoulder on square drive to eliminate square breakage

Customers can find out more about the *Snap-on* 3/8-inch Reversible Air Ratchet (FAR72C) by contacting their participating Snap-on franchisee or representative, visiting [www.snapon.com/powertools](http://www.snapon.com/powertools) or by calling toll free 877-SNAPON-4 (877-762-7664).
