# Snap-on Classics: Classic Roll Cab and WorkCenter

**KENOSHA, Wis. – February 26, 2013** – With its timeless quality, the Snap-on® Classic Roll Cab (KRA2422) is the definition of performance and durability that you expect from Snap-on. By adding a 55-inch *Snap-on* WorkCenter (KRA2454) to the top of the KRA2422, you will get even more versatility from your Snap-on storage unit.

“With its classic design, scratch-resistant finish and deep drawers, the Snap-on Classic Roll Cab provides abundant storage space for all types of tools and equipment,” said Jay Serpe, product manager for Snap-on. “Our 55-inch WorkCenter is the perfect complement as it mounts on top of the work surface on any KRA2422 or KRA2411 roll cab, providing more work space to help increase efficiency and productivity in the bay. A work surface is required for proper fit. The customer can choose from three different work surfaces: stainless steel, steel with black bed liner coating or hardwood maple.”

The *Snap-on* Classic Roll Cab (KRA2422) features a top drawer that is 50-inches wide and five inches deep and a second drawer is 50-inches wide and three inches deep. The 14-gauge steel internal corner gussets help keep the unit square for life and the unit also has anti-vibration monprene wheels. A powder coating creates a scratch-resistant finish and is available in eight popular colors (red, black, flat black, midnight blue, royal blue, extreme green, electric orange and yellow).

Featuring more wall space and head clearance than competitive work centers, the KRA2454 WorkCenter features two gas cylinders that assist in opening the door, making it an effortless operation and stainless steel inside walls with “slots ‘n’ dots” back panels. Users are also able to lock up work in progress with the *Snap-on* 55-inch WorkCenter.

Customers can find out more about the *Snap-on* Classic Roll Cab (KRA2422) and WorkCenter (KRA2454) by contacting their participating Snap-on franchisee or representative, visiting [www.snapon.com/toolstorage](http://www.snapon.com/toolstorage) or by calling toll free 877-SNAPON-4 (877-762-7664).

## About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Snap-on Incorporated, which was founded in 1920, is a \$2.9 billion, S&P 500 company located in Kenosha, Wis. with operations throughout the world.
