Snap-on 1/4-inch Drive E8 Universal TORX Socket

Specifically designed for several applications on newer Mercedes-Benz models, the new 1/4-inch drive E8 universal TORX® socket (TSE80) from Snap-on Tools works great on oil pan bolts, interior and engine fasteners, sensors and intake bolts, water pumps, power steering pumps, crankshaft position sensors, bell housing bolts, ignition switches, turbo chargers and engine covers.

Customers can find out more about the 1/4-inch drive E8 universal torx socket by contacting their local Snap-on representative, visiting www.snapon.com or by calling toll free 877-SNAPON-2 (877-762-7662).
