Snap-on has Two Cool Tools at Very Hot Prices

Spring into Savings with this Great Deal from Snap-on

KENOSHA, Wis. – February 23, 2009 – For a limited time only, Snap-on is offering two of its coolest tools, the 7.2 Volt Cordless Screwdriver (CTS561) and 7.2 Volt Cordless Screwdriver with Clutch (CTS561CLH), at incredibly hot prices.

“Because of the popularity of our 7.2 Volt Cordless Screwdriver, we wanted to give our customers this great opportunity to save when they purchase one for themselves or several for the entire shop,” said Alicia Smales, vice president of marketing for Snap-on. “Our cordless screwdrivers are favorites among our customers and technicians tell us all the time how this tool has improved their productivity in the service bay. Plus, these are great tools for all those do-it-yourself fix up projects. At this great price, it would be a shame not to own one.”

For a limited time, the Snap-on 7.2 Volt Cordless Screwdriver (CTS561) is available for only \$99.95 and the Snap-on 7.2 Volt Cordless Screwdriver with Clutch (CTS561CLH) at the special price of \$129.95.

The Snap-on 7.2 Volt Cordless Screwdriver (CTS561) features:

- Pistol grip-style handle for ease of use and extra comfort.
- Rocker style forward/reverse toggle switch.
- 55-minute battery charging time.
- Auto spindle lock for use in manual applications.
- Includes CTC572 charger and two CTB5172 batteries.
- ¼-inch Quick change chuck.

The Snap-on 7.2 Volt Cordless Screwdriver with Clutch (CTS561CLH) features:

- All of benefits of the CTS561, plus a six-position clutch.
- Allows torque to be set for specific application for greater control.
- Holster with belt clip and eight power bits included.

To find out more about this limited time promotion, customers can contact their local Snap-on franchisee, visit www.snapon.com or call Snap-on toll free at 877-SNAPON-2 (877-762-7662).
