Brighten Up Your Tool Storage with New Snap-on KALED24 Light Box

KENOSHA, Wis. – November 7, 2011 – Snap-on's new KALED24 light box provides bright LED lighting with low power use for top chest lids, cart lids and risers. Not only will the KALED24 brighten up your tool storage inside and out, its eye-catching appearance will serve as the perfect complement to your high quality Snap-on tool storage unit.

"Our new KALED24 light box is the perfect addition if you want to add lighting to your tool storage unit," said Jay Serpe, product manager for Snap-on. "The KALED24 can be mounted inside the lid of top chests and carts or on the back riser wall. This is a lighting solution that really identifies with the quality of the tool storage."

Snap-on's KALED24 is equipped with a 28-inch by 7-inch polished stainless steel case with a laser cut Snap-on logo and mirror-like finish. The internal LED system contains two high quality, preassembled 27-inch LED strips. Other features include a white diffuser and a wall outlet/switch adaptor. The KALED24 is compatible with U.S. and Canadian electrical requirements.

Customers can find out more about Snap-on's KALED24 lighting for tool storage by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com/toolstorage or by calling toll free 877-SNAPON-4 (877-762-7664).
