New Snap-on Heavy Duty Shop Cart Provides Heavy Duty Performance

KENOSHA, Wis. – November 6, 2012 – With the new Snap-on® Heavy Duty Shop Cart (KRSC246), customers will get a storage unit that features the classic Snap-on design and has deeper storage space, a durable flip lid and an extra deep top compartment to safely secure more tools and equipment. This mobile tool storage unit can be moved around the bay quickly and efficiently, helping service technicians complete more jobs during the course of a day.

“Our new Heavy Duty Shop Cart offers exceptionally deep storage, allowing the users to store tools like long pry bars and extensions with ease,” said Jay Serpe, product manager for Snap-on. “With the choice of a bed liner coated steel lid or stainless steel lid, plus an extra deep lockable top compartment, durability and protection are key advantages of the KRSC246.”

The new *Snap-on* Heavy Duty Shop Cart (KRSC246) also features:

- 24-inch deep unit for extra storage capacity
- Top section provides openings to vertically store pry bars and extensions up to 36-inches
- Welded cart body for lasting strength
- Choice of two durable flip lid materials: stainless steel or truck bed liner
- Exclusive bumpers have a hard interior yet a soft exterior to reduce damage to other objects
- Six drawers: two (two-inch deep); two (four-inch deep) and two (six-inch deep)
- Four monprene casters for better maneuverability and less vibration

Customers can learn more about the new *Snap-on* Heavy Duty Shop Cart (KRSC246) by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com/toolstorage or by calling toll free 877-SNAPON-4 (877-762-7664).

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, diagnostics and equipment solutions for professional users.
