Snap-on Helps Service Technicians Get Ready for Air Conditioning Season

2012 A/C Catalog Offers Great Selection of Tools and Equipment

KENOSHA, Wis. – March 8, 2012 – Spring is right around the corner and motorists will soon be checking to make sure their air conditioning systems are working properly. The new Snap-on® 2012 A/C Equipment and Tools Catalog provides service technicians everything they need to take advantage of this great business opportunity.

“Our new Snap-on A/C equipment and tools catalog offers a tremendous assortment of products that will help you perform A/C service faster and more efficiently,” said Dan Batassa, category manager for Snap-on. “In addition, we are offering special pricing all spring and summer on a majority of these items, so now is the perfect time to add more A/C tools and equipment to help you get ready for A/C season.”

The eight-page catalog includes A/C recyclers, gauges, leak detection equipment and kits, vacuum pumps and UV lights. In addition, a wide assortment of service tools such as flaring tool sets and tubing tools and equipment are offered along with a selection of thermometers, A/C specialty tools and accessories. The special pricing on Snap-on A/C tools and equipment is available through Sept. 30, 2012.

Customers can learn more about Snap-on’s 2012 A/C tools and equipment, as well as the new A/C catalog, by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com or by calling toll free 877-SNAPON-4 (877-762-7664).
