Color Your World with New Snap-on Colored Guard Kits

Kits Offer Extra Protection for Snap-on Roll Cab Drawers, Corners

KENOSHA, Wis. – July 22, 2014 – Create a two-color tool box and protect your tool storage unit at the same time with the new Snap-on® Colored Guard Kits. These protective accessories are coated in authentic *Snap-on* powder-coat paints and are perfect for the drawers, corners and bottoms of *Snap-on* Roll Cabs (KRA2422), Top Chests (KRA2410) and Work Centers (KRA2454).

“The new Snap-on Colored Guard Kits are a terrific way to make your toolbox stand out even more, while at the same time, giving it some added protection,” said Jay Serpe, product manager for Snap-on. “Made from laser cut steel, these guards provide an extra layer of defense from dings and scratches and will help keep your tool storage unit looking like new.”

Available in five powder-coat paint colors: royal blue, candy apple red, orange, extreme green and hot pink, the new *Snap-on* Colored Guard Kits offer superior scratch protection. The bottom guard is made from stainless steel for corrosion protection. Complete sets of guards, as well as individual components, are available.

Customers can find out more about the new *Snap-on* Colored Guard Kits by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com/toolstorage or by calling toll free 877-SNAPON-4 (877-762-7664).

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Snap-on Incorporated, which was founded in 1920, is a \$3.1 billion, S&P 500 company located in Kenosha, Wis. with operations throughout the world. For additional information, visit www.snapon.com.
