## **New Snap-on A/C Equipment and Tools Catalog Now Available**

**KENOSHA, Wis. – March 31, 2014** – The new Snap-on Air Conditioning Equipment and Tools catalog is now available, featuring an assortment of Snap-on® products to help service technicians complete A/C jobs quickly and efficiently.

“After such a rough winter, our customers will be servicing a good number of HVAC systems and the new Snap-on Air Conditioning Equipment and Tools catalog will help them find the right tools to take advantage of these business opportunities,” said Dan Batassa, category manager for Snap-on. “One of the featured items in the catalog is a real game changer. Our innovative hybrid-capable vehicle A/C service system can properly and safely service both hybrid and non-hybrid vehicles.”

The [Snap-on® KOOLKARE Plus \(EEAC325BH\)](#) helps recover, recycle, evacuate, leak test and recharge R-134A systems quickly and accurately. It meets the SAE J-2788 standard of 95 percent refrigerant recovery and ±0.5 ounce charge accuracy, which saves money on refrigerant and call backs. This hybrid system features many time and money-saving features including an intuitive user interface that guides the technician through the complete service process, automatic air purge, and a filter-life monitor alarm that alerts when preventive maintenance is required.

The new Snap-on Air Conditioning Equipment and Tools catalog also features service tools, manifolds, test gauges, flaring kits, leak detection and thermometers. For a limited time, special pricing is available on many of the showcased items.

Customers can find out more about the Snap-on Air Conditioning Equipment and Tools catalog by contacting their participating Snap-on franchisee or representative or by calling toll free 877-SNAPON-4 (877-762-7664).

### **About Snap-on Tools**

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Snap-on Incorporated, which was founded in 1920, is a \$3.1 billion, S&P 500 company located in Kenosha, Wis. with operations throughout the world.
