Free VANTAGE® Ultra Training Solutions Modules Added to Snap-on Website

LINCOLNSHIRE, IL, August 13, 2014 – Snap-on announces it has added free VANTAGE® Ultra Training Solutions modules to its website at <http://diagnostics.snapon.com/trainingsolutions>. The four modules are designed to help professional service technicians navigate the features and functionality of this new graphing multimeter and high-speed, two channel lab scope that provides fast and reliable tests to verify failed components before starting the vehicle repair.

The VANTAGE Ultra Training Solutions modules cover:

- Introduction and navigation: Start-up, Controls, Touch Screen
- Meter Functions, Digital Multimeter, Graphing Multimeter, Scope Functions
- Guided Component Tests, Component Information: Component Operation, Connectors, Component Location, Tech Notes
- Previous Vehicles and Data: Vehicle History, View Saved Data, Delete Saved Data

The Snap-on [Training Solutions modules](#) provide quality product training that is available to technicians 24 hours-a-day, seven days-a-week, when it is most convenient for them. All modules are free-of-charge and technicians can revisit the training sessions as often as necessary to learn at their own pace and comfort level.

Each module is hosted by National Field Trainer Jim Moritz. With over 30 years of experience in automotive diagnostics, engineering, marketing, training and technical support, he has developed over 100 training courses and trained over 100,000 students. His memberships and certifications include NASTF, ETI, SAE and ASE.
