

# Scan Tool Demo Feature Makes Diagnostics Easy to Show & Sell!

See the complete capability of the scan tool without connecting to a vehicle. Demo Mode is available in all new MODIST™, SOLUS PRO™ and ETHOS®. Show complete scan tool navigation and operation. See available system coverage. See live data, codes, tests and Troubleshooter tips. Note: Demo Mode is automatically deactivated upon First Time Activation of the tool.

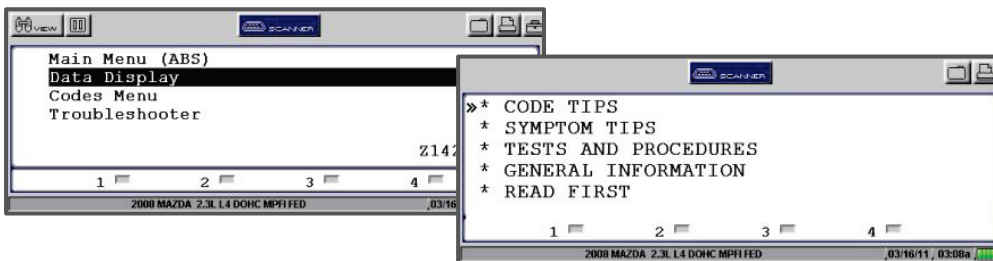

- 1) Select Any Make, Model, Year (No need to connect to vehicle for Demo Mode)  
Or press “N” to abort and enter normal test mode (Connect to vehicle)

- 2) See All Available Systems. Select Any System

- 3) Choose Codes, Data or Troubleshooter

- 4) See Sample Results – Simulated Codes & Data, Genuine Troubleshooter Tips
