

Bandsaw Blades

Engineered by the Solutioneers at Snap-on specifically for the multi-application environment.

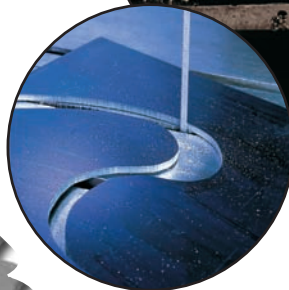

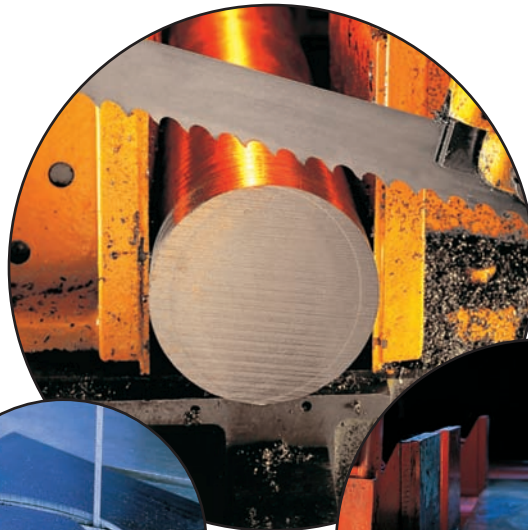

We've developed just the right "recipe," combining the science of rake angle, unique patented tooth geometry and M42 high speed steel material to produce the tough, resilient and versatile Green Button™ Blades.

No matter what you've got to cut—solid steel, carbon steel, stainless steel, tool steels, angle iron, I-Beams, flat bar, steel tubing, aluminum, plastic or wood—Green Button™ Bandsaw blades get the job done! No more compromising! No more worrying about tooth type, tooth pitch or application!

The Solutioneers at Snap-on have taken the frustration out of cutting applications in the maintenance shop once and for all. All you need to know is how wide (1/2", 3/4", 1" or 1 1/4") and how long your blades need to be—Green Button™ does the rest with one patented tooth design that will cut through almost anything.

- Save money by eliminating costly blade replacements due to improper use.
- Increase productivity by saving the time spent on changing blades.
- Only one patented tooth design for all blades.
- Only one tooth pitch per size.
- Available in 4 popular-widths: 1/2", 3/4", 1" and 1 1/4"

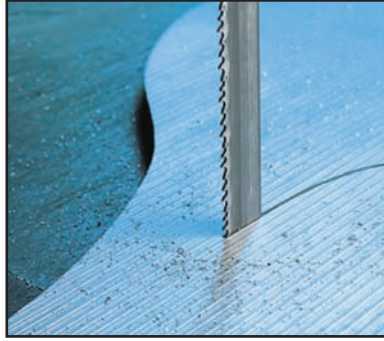

All you have to do is install the blade and press the green button to start your bandsaw machine.

Get your Green Button blade TODAY!

Contact Your Snap-on Industrial sales representative for complete details and ordering information.

Bandsaw Blades

1/2 Inch Width Blades

For a great selection of Bandsaws please see Wilton pages N120-N123.

WARNING

- Wear safety goggles (user and bystanders).

- Wear hearing protection (user and bystanders).

- Avoid prolonged exposure to vibration.

Blade Width	Material Part Number
1/2"	8259662
3/4"	8259679
1"	8259686
1-1/4"	8259693

IT'S EASY TO ORDER BANDSAW BLADES FROM SNAP-ON INDUSTRIAL!
To Generate Part Numbers for Welded Loops & Coil Stock:
Welded loops code = material code + length of blade

ie. Green Button Blades 3/4" x .035 x 4/6 x 10'-7 1/2"

8259679 **10** **07** **04**

Material "Part Number" Loop Length "Feet" Loop Length "Inches" Loop Length "Fractions of inch"

0" = 0
1/8" = 1
1/4" = 2
3/8" = 3
1/2" = 4
5/8" = 6
3/4" = 7
7/8" = 8
