

STATIONARY STORAGE

THE COMPLETE SYSTEM

Invest in the system options that can grow with your ever-changing needs. Only Snap-on provides a complete solution – industry-leading tools and tool storage products, advanced organization programs, and state-of-the-art access control systems – all brought together by our worldwide support team.

HIGHER PRODUCTIVITY. LOWER COST.

Snap-on offers industrial strength storage and productivity solutions to make you leaner, more efficient, more productive – with space, manpower and tools fully utilized.

You spend less time looking for tools. You reduce the losses from misplaced or stolen tools. You reduce process bottlenecks. And you keep the work flowing. There's no quicker way to become lean.

A world-class work environment. And a definitive statement about quality, productivity and leadership that boosts employee pride and customer confidence.

And your Snap-on Solutioneer has the experience and know how to make it all work – both today and tomorrow.

ORGANIZATION

Tru-Fit™ Tool Control System

- Develop custom kits for specific tasks
- Every item organized, visible, and accounted for

CONTROL

Snap-on Asset Management Software

- Total accountability and trackability
- Easy to use
- Software that talks
- Visual verification of selected item
- Organize one or hundreds of tool cribs

SECURITY

Keyless Entry

- Total control over access: who, what, when
- Fewer problems with lost or stolen tools
- No keys, no worries

PRODUCTIVITY

The right tool for the job

- The broadest selection of tools in the world
- The right tool for the right job
- Integrated user safety

SERVICE AND SUPPORT

Snap-on Solutioneers

- Real people – real solutions
- Knowledgeable professionals
- There when you need them, on-site, from design to after-sale service

SYSTEM

UNSURPASSED ATTENTION TO DETAIL

Snap-on Stationary Storage systems work better and look better. Every component is perfectly matched, completely integrated, right down to the color-matched, everyday-tough paint – interchangeable base cabinets, shelf units, peg-board back panels, overhead storage units and work/desk surfaces. Hundreds of accessories, from custom tool control layouts and drawer dividers to peg-board rails and hooks. They all fit and look great.

There's a connection between your tools, storage system, and organization, which impacts your overall workflow. And nobody understands it better than Snap-on Industrial. Industrial strength storage and productivity solutions to make you leaner, more efficient, more productive – with space, manpower and tools fully utilized. At Snap-on Industrial, it's what we do.
