

FOD Prevention Measuring Tape

A FOD
Prevention
version of
our most
popular
tape for
kits!

Features & Benefits

- FOD is prevented by recessed rivets in case
- We removed the belt clip so the tape lays in foam properly
- An aluminum housing ensures durability and long life
- Easy to use auto-locking tape remains in extended position
- 2 tape release buttons retract tape in tight access
- Rubber grip provides comfort and non-slip confidence
