

Software Download and Installation Instructions

This document provides instructions for installing the ShopStream Connect[™] software on your personal computer (PC).

Minimum Requirements

IMPORTANT:

If your PC does not meet the minimum requirements, do not attempt to install the ShopStream Connect software.

Before installing the software, verify the following requirements:

- PC with the following minimum system requirements:
 - System Properties:
 - Operating system—Microsoft Windows 2000 Service Pack 4, Windows XP, or Vista. The system must be upgraded to Microsoft .NET Framework Version 2.
 - Processor—Pentium 4 or later, or equivalent
 - Memory-256 MB minimum, 512 MB recommended
 - Hard Drive—50 MB free space
 - CD-ROM, DVD, or DVD-ROM drive
 - USB 2.0 or later
 - Internet Explorer 6.0 or higher
 - Internet connection for updates
- USB cables:
 - Type mini A cable for ETHOS[™], MODIS[™], and VantagePRO[™]
 - Type A/B cable for SOLUS™
- Adobe Reader software (free download at www.adobe.com/products/reader)
- ShopStream Connect software (free download at software.snapon.com)

Verifying PC System Properties

Follow the procedures below to check your PC system properties and to determine how much free space is available on your hard drive.

To check your PC system properties:

On the Desktop, right-click My Computer and select Properties.
The System Properties dialog box displays with your system information (Figure 1).
