

## FEATURES

MODIS™ SOLUS PRO™ ETHOS™

Lab Scope - samples at 6 million times per second	•		
1, 2, 3 or 4 trace scope mode	•		
CTM (Component Test Meter)	•		
Preset component test routines	•		
Dual Graphing Multimeter	•		
Digital volt ohm meter	•		
Standard ignition scope	•		
D.I.S (Distributorless ignition system) ignition scope	•		
C.O.P (Coil on plug) ignition scope	•		
Rechargeable battery and charger	•		
VGA output for remote display or projection interface	•		
USB port expandability	•		
Serial port expandability	•		
Wireless communications capabilities	•		
Full size VGA LCD screen	•		
Windows CE operating system	•	•	
Fast ARM processor	•	•	
2000 frames of data movie mode of graphing data	•	•	
Activate cursors for pinpoint accuracy	•	•	
User defined PID triggering for intermittent fault capture and diagnosis	•	•	
Freeze frame feature of graphing data	•	•	
Customised data list graphed on screen	•	•	
2000 frames of data movie mode of graphing data	•	•	
Colour display	•	•	
Graphing data mode	8	4	4
Print capability	USB/IR	IR	USB
User programmable S function key to save, freeze and print screen data	•	•	•
Compact Flash software storage and upgrades	•	•	•
4 Way navigation thumb pad	•	•	•
Pause data for review	•	•	•
On Screen instructions	•	•	•
Familiar navigation and controls	•	•	•
EOBD vehicle communications capability	•	•	•
Record data stream values while road testing	•	•	•
Perform functional tests	•	•	•
Live data and trouble codes displayed	•	•	•
Detailed trouble code definitions on screen	•	•	•
Read and clear trouble codes	•	•	•
Robust design for workshop use	•	•	•
Built in CAN protocol support	•	•	•

## PUT THE POWER OF SOLUS PRO™ TO WORK FOR YOU

SOLUS PRO™ provides you with a versatile scan tool that will increase your productivity. See how quickly SOLUS PRO™ delivers the information you need to diagnose and repair today's complex vehicles. SOLUS PRO™ and Snap-on will give you the diagnostic power you need to get the job done. Ask your Snap-on dealer for an SOLUS PRO™ demonstration today.

THE THINKING IS IN YOUR HANDS.

**SOLUS PRO™**  
**YOUR NEXT DIAGNOSTIC STEP**

THE THINKING IS IN YOUR HANDS.

## SNAP-ON DIAGNOSTICS, TAKING SCANNER™ TECHNOLOGY TO A HIGHER LEVEL

Does your scan tool help you think? With SOLUS PRO™ in your hands, there's no question. With all the power and information you need to get the job done right – and right the first time. So you can service more cars, faster, and make more money. That's smart thinking.

SOLUS PRO™ offers the speed, feel, battery life, and ease-of-use to take your on-board diagnostic capabilities into the future.

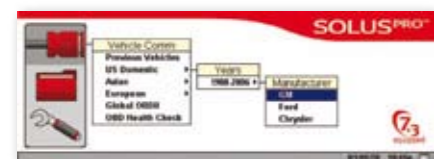

Snap-on keeps you at the cutting edge with extensive trouble code lists for today's advanced vehicles. Get specific codes and definitions that go way beyond generic.

Choose between PID List and 1, 2 and 4 Graph views when reviewing live data readings. Store 2,000 frame movies that can be reviewed and printed from your PC and shared with others.

SOLUS PRO™ delivers VIN-specific coverage for a wide range of models from over 30 vehicle makes. The fast boot time, easy setup and intuitive navigation won't slow you down.

### Advanced Vehicle Coverage

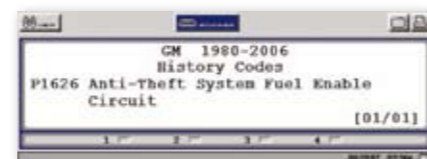

SOLUS PRO™ delivers VIN-specific coverage for a wide range of models from over 30 vehicle makes. The fast boot time, easy setup and intuitive navigation won't slow you down.

### Recall Last 25 Vehicles

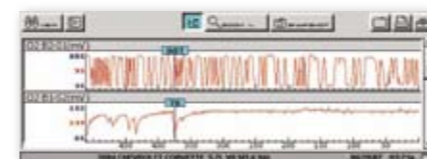

Use the SOLUS PRO Previous Vehicle feature to get right back to work. Whether a Domestic, Asian, or European vehicle, there is no need to re-ID the VIN. Save steps every time you re-connect.

### VIN-Specific Trouble Codes

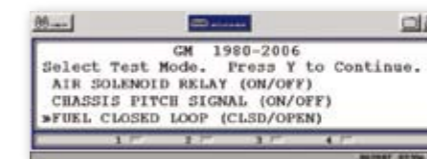

Snap-on keeps you at the cutting edge with extensive trouble code lists for today's advanced vehicles. Get specific codes and definitions that go way beyond generic.

### Graph and Record Live Data

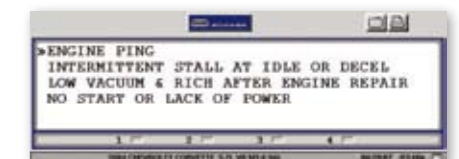

Choose between PID List and 1, 2 and 4 Graph views when reviewing live data readings. Store 2,000 frame movies that can be reviewed and printed from your PC and shared with others.

### ABi-Directional Testing

Use SOLUS PRO to turn on actuators, run functional and system tests, bleed brakes and command the transmission. These tests take some of the mystery out of your diagnosis, save time and confirm the repair.

### Information in Your Hands

Fast-Track® Troubleshooter connects vehicle identification, codes, symptoms, factory bulletins, and real-world experience; putting them together uncovers the straight path to a satisfied customer!
