Snap-on Must Have Tool: INSTINCT[®] Screwdrivers with Extra Long Reach

KENOSHA, Wis. – August 16, 2011 – If you are having challenges with your current screwdriver set reaching hard-to-get-at areas, then Snap-on's INSTINCT[®] Screwdrivers with extra long reach (SGDXL80BG and SGDXL80BO) are a must-have for your tool box. This eight-piece soft-handle screwdriver set features four Phillips head and four flat screwdrivers ranging in size from six-inches to 16-inches long and will make those tough-to-get-at jobs much easier.

"Snap-on's eight-piece INSTINCT[®] Screwdriver set with extra long reach is the ideal solution when you need to reach those tight spots that are tough to get to," said Bryan Hantke, product manager for Snap-on. "With soft handles and extra-long reach, these durable and versatile screwdrivers should be in every service techs' toolbox. They are perfect for working on hose clamps, headlight fasteners and trim panel applications."

Available with green handles (SGDXL80BG) or orange handles (SGDXL80BO), the features and benefits of Snap-on's INSTINCT[®] Screwdrivers with extra long reach are:

Power - Wide tri-lobe in the center of the handle and Snap-on's bolstered, special alloy steel blade provide turning power when needed.

Speed - Tip identifier on the crown helps locate the right tool quickly.

Finesse - Six specially-designed curves and flutes with a round neck offer fingertip control, aid in spinning and prevent the tool from rolling on flat surfaces.

Customers can find out more about Snap-on's INSTINCT[®] Screwdrivers with extra long reach (SGDXL80BG and SGDXL80BO) by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com or by calling toll free 877-SNAPON-4 (877-762-7664).
