## **Snap-on Tool of the Month: New 1/4-Inch Recessed Square Drive Micro-Cordless Screwdriver with Interchangeable Shanks and Bits**

**KENOSHA, Wis. – November 8, 2012** – The new Snap-on® 1/4-Inch Recessed Square Drive Micro-Cordless Screwdriver with Interchangeable Shanks and Bits (CTS661SK) may be a mouthful to say but users will be speechless once they see how productive and efficient it makes them in the workplace.

“Our new CTS661SK is a great addition to any toolbox. It is easy to use, built to last, versatile and its ergonomic design provides positive tool control with less fatigue,” said Rodger Isetts, product manager for Snap-on.

With 100 in. lbs. of torque output, the new *Snap-on* 1/4-Inch Recessed Square Drive Micro-Cordless Screwdriver with Interchangeable Shanks and Bits (CTS661SK) has many notable features and benefits, including:

- Twin-beam headlights illuminate work area
- Built-in brake stops the tool from throwing sockets and fasteners
- Quick 30-minute battery charge for less down time
- Over current protection protects the electronics
- Under voltage protection will not overdraw the battery
- Built-in gauge lets you know the state of the battery charge
- Screened motor keeps debris from entering critical components
- Over and under temperature protection keeps tool operating at peak efficiency
- Glass-filled nylon housing for durability
- Patent-pending oversized forward/reverse cushion toggle style variable speed trigger for one-hand operation to toggle quickly from forward to reverse

Customers can learn more about the new *Snap-on* 1/4-Inch Recessed Square Drive Micro-Cordless Screwdriver with Interchangeable Shanks and Bits (CTS661SK) by contacting their participating Snap-on franchisee or representative, visiting [www.snapon.com/powertools](http://www.snapon.com/powertools) or by calling toll free 877-SNAPON-4 (877-762-7664).

### **About Snap-on Tools**

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, diagnostics and equipment solutions for professional users. Product lines include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions which are used by technicians and professionals at vehicle dealerships and repair centers and in the marine, power sports and aviation industries. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Snap-on Incorporated, which was founded in 1920, is a \$2.9 billion, S&P 500 company located in Kenosha, Wis. with operations throughout the world.
