## **Tool of the Month: Snap-on Ratcheting Open End Box Wrench Set**

**KENOSHA, Wis. – November 19, 2013** – Providing power and performance, the Snap-on® 10-Piece Ratcheting Open End Box Wrench Set (SRXRM710), with its patented open end wrenching configuration, delivers more speed than conventional wrenches.

“Snap-on ratcheting speed wrenches are a valuable addition to every Snap-on tool box because of their versatility and durability. The speed open end provides quick, ratchet-like action, while the Flank Drive wrenching system on the box end delivers up to 15 to 20 percent more turning power with less risk of tool or fastener damage,” said Mark Knapp, product manager for Snap-on.

The *Snap-on* 10-Piece Ratcheting Open End Box Wrench Set (SRXRM710) features other user benefits including:

- Up to 80 gear teeth for minimal movement in tight areas
- Box ends are offset 15 degrees for clearance
- Sized for optimum comfort and balance
- Nickel/chrome plating helps protect against corrosion and makes it easy to wipe clean

Customers can learn more about the *Snap-on* 10-Piece Ratcheting Open End Box Wrench Set (SRXRM710) by contacting their participating Snap-on franchisee or representative, visiting [www.snapon.com/handtools](http://www.snapon.com/handtools) or by calling toll free 877-SNAPON-4 (877-762-7664).

### **About Snap-on Tools**

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Snap-on Incorporated, which was founded in 1920, is a \$2.9 billion, S&P 500 company located in Kenosha, Wis. with operations throughout the world.
