Snap-on Driver Helio Castroneves Wins Indy 500

13th time Snap-on Tools Have Been Used on Penske Indy 500 Winner

KENOSHA, Wis. – May 27, 2009 – For the 13th time since it began sponsoring Penske racing, Snap-on tools have been used on the winning car of the Indianapolis 500 winner as Team Penske's Helio Castroneves captured the 93rd running of the Indy 500 on May 24.

"Snap-on has been a proud sponsor for Penske Racing since 1980 and once again, we are thrilled and honored to have had Snap-on help a driver win the Indy 500," said Alicia Smales, vice president of marketing for Snap-on Tools. "This is the 15th time a Penske driver has won the Indy 500 and Snap-on has been involved with 13 of those wins. We want to congratulate Roger Penske, Helio Castroneves and all the Penske racing team for a phenomenal month of May."

This was Castroneves third Indy 500 win. The other two Snap-on Penske drivers, Will Power (5th) and Ryan Briscoe (15th) also had good showings at Indy as Briscoe actually led for 11 laps in the race early on and was running second to Castroneves late in the race before having to pit for fuel.

The Penske team is back in action this weekend at the Milwaukee Mile, right in Snap-on's backyard, when they will be competing in the ABC Supply/A.J. Foyt 225 on May 31. The race starts at 2:30 pm CT and can be seen on ABC.
