**Allmendinger Claims First Nationwide Win This Year  
Central Wis. Track Offers Challenges and Victory for  
Snap-on Sponsored Penske Racing®**

**KENOSHA, Wis. – June 25, 2013** – A.J. Allmendinger, part of the Snap-on sponsored Penske Racing® team, made the last seven laps count in what boils down to a NASCAR “overtime” to win Saturday’s Nationwide series race at Road America in central Wisconsin.

“Elkhart Lake is a winning track for A.J. where he won the Champ Car Series in 2006. And, we’re glad he triumphed once again in Snap-on’s home state,” said Yvette Morrison, vice president of marketing, Snap-on Tools Group. “To win this weekend, he had to make up some lost ground but Snap-on is always delighted to see a competitive spirit pay off the way it did for A.J. this weekend. We’re not surprised to see that kind of hard work from the teams and drivers we sponsor. It’s the same kind of performance we expect from our Snap-on tools and diagnostics.”

Of the weekend, Allmendinger says, “I have to thank all the sponsors at Penske Racing and Team Penske, my Crew Chief Jeremy (Bullins) and everyone on the team. This Ford Mustang was just phenomenal. I was starting to get frustrated with all the Green-White-Checkers there at the end. I made a mistake earlier in the race which actually worked in my advantage because it allowed me to see where I was over-driving a bit. This car was a rocket ship, and I couldn’t have asked for a better way to end the race.”

This win advances the No. 22 Discount Tire Ford Mustang team to second in the Nationwide Series Owner Championship Standings.
