## **Snap-on Catalog Offers Complete Line of A/C Tools to Heat up Your Air Conditioning Business**

**KENOSHA, Wis. – April 2, 2009** – From service tools to manifold test gauges; from refrigerant recovery systems to leak detector tools; Snap-on has a complete line of air conditioning service equipment and tools that can heat up your air conditioning business this spring and summer.

“Snap-on offers the most comprehensive line of air conditioning tools and equipment on the market,” said Dan Batassa, category manager for Snap-on. “Our tools are designed to make you the most productive and efficient you can be when performing A/C work. There’s a lot of business opportunity in A/C service, and we want to make sure our customers are able to take advantage of every opportunity by providing them with the most innovative A/C tools and equipment available today.”

Some of the AC tools and equipment offered by Snap-on include:

- A/C Refrigerant Recovery Systems
- Refrigerant Identifiers
- Accessories for A/C Recyclers
- Filter and Compressor Oil Change Kits
- Vacuum Pumps
- Manifold Test Gauge Sets
- Electronic Leak Detection
- UV Leak Detection
- UV Leak Detection Lighting
- A/C Service Tools
- Thermometers

Customers can get a copy of the Snap-on 2009 Air Conditioning Service Equipment and Tools catalog by contacting their participating Snap-on franchisee, visiting [www.snapon.com](http://www.snapon.com) or by calling toll free 877-SNAPON-2 (877-762-7662).

### **About Snap-on Tools**

Snap-on Tools Company, LLC is a leading global innovator, manufacturer and marketer of tools, diagnostics and equipment solutions for professional users. Product lines include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions which are used by technicians and professionals at vehicle dealerships and repair centers and in the marine, powersports and aviation industries. Snap-on is one of the largest non-food franchise companies in the world, selling its products through more than 4,000 franchisees worldwide and through company-direct sales and over the Internet. Snap-on Tools is a subsidiary of Snap-on Incorporated, which was founded in 1920 and is a \$2.8 billion, S&P 500 company headquartered in Kenosha, Wis. For additional information on Snap-on, visit [www.snapon.com](http://www.snapon.com).
