Snap-on Classics: Air Ratchets

KENOSHA, Wis. – September 8, 2010 – Looking to ratchet up your performance in the bay? Snap-on's 3/8-inch Drive Air Ratchets (FAR72C and FAR7200) feature a revolutionary design with a classic style that provides the power and speed you need to improve your productivity and efficiency.

“Our 3/8-inch drive air ratchets are a necessity for every service technician who wants a powerful and high-performing air ratchet,” said Jim Martin, product manager for Snap-on. “These are classic tools that feature the latest in technology and design so you get all the power and speed you need.”

Snap-on 3/8-inch Drive Air Ratchets (FAR72C and FAR7200) feature:

- A classic Snap-on design that delivers 65 ft. lbs. at 225 RPM (FAR72C)
- Patented “stop lock” pins prevent ratchet pawl lock-up
- Dual pawls for smooth operation and performance
- Steel wear bushings to prevent ratchet head wear
- Comfortable variable speed trigger for added comfort and control
- Zerk fitting in selector knob allows ratchet head lubrication for longer tool life
- Tip valve style trigger provides featherability and versatility

The FAR7200 also features a patented muffler bypass which allows the tool to be used in quiet mode (50 ft. lbs. at 200 RPM) or full power (70 ft. lbs. at 260 RPM) and a cushion grip handle for added comfort and control.

Customers can find out more about Snap-on's 3/8-inch Drive Air Ratchets (FAR72C and FAR7200) and other Snap-on tools by contacting their participating Snap-on franchisee, visiting www.snapon.com or by calling toll free 877-SNAPON-2 (877-762-7662).
