These Specialty Tools Are Truly Special

KENOSHA, Wis. – February 17, 2011 – At Snap-on, we strive to make our customers' lives easier. With these three Blue-Point® specialty tools, not only will life be easier, but it will be much more productive as well.

“Our Blue-Point specialty tools are designed to give you a lot of bang for your buck,” said Brian Woller, category manager for Snap-on. “These versatile and durable tools will allow you to do specialty jobs faster and more efficiently, so you can get more jobs done during the course of the day. By incorporating these tools into your daily routine, they’ll pay for themselves in no time.”

Stretch Fit Belt Kit (SBT2KT)

- The only tool available that universally installs and removes stretch belts
- Easy to use process for both removal and installation
- Allows removal and reuse of stretch fit belts
- Includes informative instructional DVD

Brake Caliper Press (BTCP1)

- One tool works on both fixed and floating calipers
- Prevents damage to pistons, hubs or calipers
- Ensures parallel piston retraction on dual and quad piston calipers
- Easy left and right side use
- Generates over 1,600 ft. lbs. of force to retract the toughest caliper pistons
- Single lever mechanism used to apply and release force for ease of operation and faster service

Swivel Gripper Filter Wrench Set (OFW4KT)

- Versatile and superior gripping oil wrench filter
- Handle swivels more than 180 degrees, making it easy to turn in tight spots
- Tension adjusting nut allows swivel pressure to be regulated
- Patent pending “no-slip” grip pattern within band grabs oil covered filters with ease

Customers can find out more about these Blue Point specialty tools by contacting their Snap-on franchisee or representative, visiting www.snapon.com or by calling toll free 877-SNAPON-2 (877-762-7662).
