Time is Money

Innovative Snap-on Tools Save Time, Make Money

FSPK and GMSTB25 Help Beat the Flat Rate

KENOSHA, Wis. – February 10, 2011 – Saving time on each job you do is key to increasing your business as well as increasing your profits. Snap-on tools are designed with service technicians in mind to help them be more efficient and productive, leading to an improved bottom line.

“Every time we develop a tool, our goal is to ensure that tool makes our customers’ jobs easier,” said Scott Amundson, product manager for Snap-on. “At Snap-on, we focus on making sure every tool we manufacture gives our customers a competitive edge. The FSPK and GMSTB25 are two innovative Snap-on products that help techs beat the flat rate.”

Snap-on Ford Spark Plug Extractor Kit (FSPK)

- Job: Replace broken spark plugs on Ford F150 with 5.4L 3-valve engine
- Challenge: To access the plug, the cylinder head must be removed
- Solution: Snap-on Ford spark plug extractor kit (FSPK) helps save up to one hour and fifteen minutes of time by getting the spark plugs out without head removal

Snap-on GM Multi-Function Switch Tool (GMSTB25)

- Job: Conveniently remove/install the multifunction switch on GM vehicles
- Challenge: Steering wheel, air bag and clock springs must be removed
- Solution: Snap-on GM multi-function switch tool (GMSTB25) can save over 40 minutes per job by reducing the book time by one-third
