New Snap-on Heavy Duty Locking Pry Bar Rack a “Must Have” Addition to Snap-on Tool Storage Units

KENOSHA, Wis. – June 28, 2012 – Finding a spot to store pry bars is a never ending quest. With the new Snap-on® 24-inch Heavy Duty Locking Pry Bar Rack (KAPR24PVA), storing and accessing pry bars is much simpler.

“The new Snap-on Heavy Duty Locking Pry Bar Rack is a practical addition to a variety of Snap-on tool storage units,” said Jay Serpe, product manager for Snap-on. “Not only is our Heavy Duty Locking Pry Bar Rack extremely durable, it also features adjustable height, making it easier to secure various sized pry bars to the tool storage unit. The KAPR24PVA fits all EPIQ, Masters and Classic Roll Cabs as well as KRSC 100/101 Mobile Work Stations and all Snap-on Roll Cabs 24 and 29-inches deep.”

The features and benefits of the new *Snap-on* 24-inch Locking Heavy Duty Pry Bar Rack (KAPR24PVA) include:

- Adjustable height with two sets of mounting holes (upper height holds up to 48-inches, lower height low holds up to 42-inches)
- Heavy duty gauge steel tested for durability
- Hasp with notch feature on end to prevent bar from falling off. The Hasp works with most padlocks; hole is 7/16-inches diameter
- Angled flange on the rack keeps tools from sliding off
- Lock bar stores on either side for ease of location
- Ability to add second bar if added security is desired
- Storage for seven tools: pry bars, hammers, breaker bar, long extensions, etc.
- Overhang on lid protects tools from being pulled out when unit is locked
- Protective black textured powder coat finish

Customers can learn more about the new *Snap-on* 24-inch Locking Heavy Duty Pry Bar Rack (KAPR24PVA), by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com or by calling toll free 877-SNAPON-4 (877-762-7664). The KAPR24PVA will not fit on the KRL722 Series roll cabs.

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, diagnostics and equipment solutions for professional users.
