Clutch Pressure Plate Service Just Got Easier With New Snap-on Shallow Impact Specialty Socket

KENOSHA, Wis. – August 28, 2013 – The new Snap-on® 3/8-inch Drive 12mm 10-point Shallow Impact Socket (DPFM12) is designed to make fast work of clutch pressure plate service.

Designed specifically for use on clutch pressure plate bolts found on the flywheel assembly of Mitsubishi® Eclipse® and Dodge® Stratus® vehicles, the new *Snap-on* 3/8-inch Drive 12mm 10-point Shallow Impact Socket (DPFM12) is a durable tool that makes it easier to access, remove and install clutch pressure plate bolts. The DPFM12 is one of four newly developed 10-point impact sockets, which expands Snap-on's product offering beyond the standard 6-point and 12-point impact sockets.

"At Snap-on, specialty tools are a strength," said Scott Amundson, product manager for Snap-on. "We are constantly working with our customers to provide them with innovative and productive tools to get jobs done quickly and more efficiently. The DPFM12 is a prime example. Our customers asked for a strong tool to install and remove clutch pressure plate bolts and we have provided them with the ideal tool in the DPFM12."

Customers can learn more about the new *Snap-on* 3/8-inch Drive 12mm 10-point Shallow Impact Socket (DPFM12) by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com/handtools or by calling toll free 877-SNAPON-4 (877-762-7664).

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Snap-on Incorporated, which was founded in 1920, is a \$2.9 billion, S&P 500 company located in Kenosha, Wis. with operations throughout the world. For additional information, visit www.snapon.com.
