New Snap-on Extra Long 1/4-Inch Ratchet a “Must Have” for Every Tech

KENOSHA, Wis. – March 22, 2013 – The new Snap-on® Extra Long 1/4-Inch Drive Ratchet (TLL72) has so many uses that it is a “must have” for every service technician, no matter what type of work they do. The longest 1/4-inch ratchet Snap-on has ever made, this versatile tool is ideal for any hard-to-access area of a vehicle, increasing efficiency in the bay.

“Every professional technician should have the new Snap-on extra long ratchet,” said Mark Knapp, product manager for Snap-on. “We talked with hundreds of customers and asked them how they use the TLL72, and we heard it is useful in multiple applications. Whether in an area high up in the dashboard or deep down in the engine, the TLL72 improves accessibility and productivity by making tough areas much easier to reach.”

With its extra long nine-inch handle, the *Snap-on* 1/4-Inch Drive Ratchet (TLL72) allows the user to reach hard-to-access fasteners, including those under the dash. This premium quality ratchet also features 72 teeth and dual pawls for minimum swing arc while maintaining maximum strength and durability.

Customers can learn more about the new *Snap-on* Extra Long 1/4-Inch Drive Ratchet (TLL72) by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com/handtools or by calling toll free 877-SNAPON-4 (877-762-7664).
