Get Monster Torque and Performance with the New Snap-on CT8850 18 Volt Cordless Impact Wrench

KENOSHA, Wis. – Dec. 9, 2014 – The new Snap-on® CT8850 1/2-inch Cordless Impact Wrench is a monster when it comes to productivity, versatility and power. Featuring an 18 Volt Lithium battery, the new CT8850 can remove 450 bolts tightened at 400 ft-lb in one battery charge.

“The new Snap-on 18 Volt 1/2-inch Cordless Impact Wrench provides 600 ft-lbs of torque output, making it one of the most powerful on the market,” said Rodger Isetts, product manager for Snap-on. “The CT8850 features a 72 watt-hour, 18 Volt Lithium battery for long run times and an integrated one-watt LED light provides excellent visibility. It has a high-efficiency, rare-earth magnet, four-brush motor for maximum efficiency and durability, making it an excellent addition to any Snap-on tool box.”

Providing extra torque and 33 percent more run time than comparable impacts, the new *Snap-on* CT8850 18 Volt 1/2-inch Cordless Impact Wrench also features:

- Micro-controlled digital smart switch with variable speed and a thermal sensor to protect from overheating
- Battery fuel gauge indicating charge status
- Alloy steel, heat treated, helical gears for maximum durability
- Alloy steel hammer and gear carrier, accurately machined for extreme toughness
- Patented impact mechanism design
- Ergonomic design with soft grip handles to reduce user fatigue

Customers can learn more about the new *Snap-on* CT8850 18 Volt 1/2-inch Cordless Impact Wrench by contacting their participating Snap-on franchisee or representative, visiting www.snapon.com/powertools or calling toll free 877-SNAPON-4 (877-762-7664).

About Snap-on Tools

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Founded in 1920, Snap-on is a \$3.1 billion, S&P 500 company headquartered in Kenosha, Wisconsin. For additional information, visit www.snapon.com.
