Snap-on Dads & Grads Gift Guide: Something for Everyone

KENOSHA, Wis. – May 20, 2014 – With graduation season upon us and Father's Day right around the corner, the new Snap-on Dads & Grads Gift Guide features gift ideas that are sure to put a smile on the face of any Dad or grad.

"This is the most expansive Snap-on gift guide we have ever produced and it's filled with exceptional Snap-on tools and equipment that any father, graduate or tool enthusiast would love to have," said Gerry Beronja, director of customer marketing for Snap-on Tools. "Not only does this new gift guide make finding the right gift a whole lot easier, but it features special pricing on a variety of items, making this the perfect time to give someone special the gift of Snap-on."

The 2014 Snap-on Dads & Grads Gift Guide features popular Snap-on items, including:

12 LED Pocket Light (ECFONELITE)

- 12 high-output, front-facing SMD LEDs produce 100 lumens on high, 65 lumens on medium
- Compact enough to take anywhere with pocket clip for added versatility
- Also available in green (ECFONELITEG) and orange (ECFONELITEO)

6-Piece Metric Flip Socket Set (106FLIPSET)

- Four revolutionary flip sockets enable use on eight different size fasteners
- Two hex-to-square adaptors allow use with cordless screwdrivers

3/8-inch Drive Dual 80® Flex-Head Long Hard Handle Ratchet (FHLFD80G, FHLFD80O, FHLFD80R)

- 80-tooth gear with seven teeth in contact with gear to provide strength and durability
- 25 percent less ratcheting arc than closest competitor; requires the least amount of arc to engage the next gear tooth
- Sealed head keeps dirt and other contaminants out of the head mechanism
- Available in red, orange and green

7-Drawer Heritage Bank Roll Cab (KRA2007FPC)

- 100 lb. rated ball bearing slides on all drawers
- 2,800 square inches with 10,000 cubic inches of storage space
- 1,100 lb. load capacity
- Available in red and black

18 Volt Cordless Lithium 1/2-inch Hammer Drill Kit (CDR7850HO or CDR7850HG)

- 450 in. lbs. of torque output can drill through the toughest materials
- 22-position clutch with two speed gearbox provides torque control for the correct application
- Built-in, super bright LED illuminates work area
- Includes two CTB7185 Lithium battery packs and CTC720 charger in CTTOTEA tote bag
- Available in orange and green

Auto Darkening Welding Helmet (EFPGREENSKL)

- Features continuous two-inch by four-inch 4/9-13 shade external adjustable auto-darkening filter integrated into the 180-degree passive lens
- Helmet has external grind mode, shade sensitivity and delay controls, giving the user complete control for all welding needs
- Lens made from highest quality polycarbonate with a military grade anti-scratch coating

Special pricing for select items in the Snap-on Dads & Grads Gift Guide is valid until June 30, 2014. Customers can learn more by contacting their participating Snap-on franchisee or representative or visiting www.snapon.com.

About Snap-on Tools
