## **New Snap-on 1/2-Inch Drive Shallow Impact Socket a “Must Have” For Servicing Honda, Acura Vehicles**

**KENOSHA, Wis. – January 9, 2014** –The new Snap-on® 1/2-inch Drive 16mm 10-point Shallow Impact Socket (DPSM16) for servicing 10-point rear lower control arm bolts on *Honda* and *Acura* vehicles is the ideal tool to help technicians service these vehicles.

“We work closely with our customers to provide the time-saving tools needed to get jobs done efficiently, and their feedback was instrumental in the development of the DPSM16 shallow impact socket,” said Scott Amundson, product manager for Snap-on. “The DPSM16 is an example of a ‘must have’ tool for Snap-on customers who want to repair *Honda* and *Acura* vehicles quickly and increase shop productivity.”

Developed specifically to ease removal of the rear lower control arm bolts on 2001 and newer *Honda Civic*® and *Acura RSX*® vehicles, the new *Snap-on* 1/2-inch Drive 16mm 10-point Shallow Impact Socket (DPSM16) is a durable, long-lasting tool that is heat treated to a lower hardness to add impact resistance and ductility.

Customers can learn more about the new *Snap-on* 1/2-inch Drive 16mm 10-point Shallow Impact Socket (DPSM16) by contacting their participating Snap-on franchisee or representative, visiting [www.snapon.com/handtools](http://www.snapon.com/handtools) or by calling toll free 877-SNAPON-4 (877-762-7664).

### **About Snap-on Tools**

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Snap-on Incorporated, which was founded in 1920, is a \$2.9 billion, S&P 500 company located in Kenosha, Wis. with operations throughout the world.
