

Release: IMMEDIATE

Snap-on To Webcast Annual Shareholder Meeting Live Via the Internet

KENOSHA, Wis.—April 22, 2014—Snap-on Incorporated (NYSE: SNA) announced today that it will webcast its 2014 Annual Meeting of Shareholders live via the Internet on Thursday, April 24.

The webcast will be available on the Snap-on website beginning at 10:00 a.m. Central Time on April 24. The archived presentation will also be available on the Snap-on site for a period of time following the live webcast.

To attend this event, visit www.snapon.com/sna and click on the link to the webcast. To ensure that you gain access on the day of the presentation, please go to the site at least 15 minutes prior to the start of the event to download and install any necessary audio software.

About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on also derives income from various financing programs to facilitate the sales of its products. Products and services are sold through the company's franchisee, company-direct, distributor and internet channels. Founded in 1920, Snap-on is a \$3.1 billion, S&P 500 company headquartered in Kenosha, Wisconsin.
