## Snap-on Adds Software Upgrade 16.4 Video to YouTube Channel

LINCOLNSHIRE, IL, March 8, 2017 – Snap-on® has added a [Software Upgrade 16.4 informational video](#) to its [YouTube channel](#) that explains how updating Snap-on diagnostics tools with the latest software gives technicians the confidence that they can handle any job that pulls into their bay.

The video includes details on Snap-on's domestic, Asian and European coverage, information on Fast-Track® Troubleshooter, Guided Component Tests, SureTrack®, the Snap-on Software Subscription Program and much more.

"When technicians keep their diagnostic software up-to-date, they are not only maximizing their diagnostic tool investment, but guaranteeing it's always providing the same comprehensive performance as it did on day one," said Mark Schaefer, director of marketing, Snap-on Diagnostics.

Software Upgrade 16.4 provides access to 98,000 additional codes, tests, tips and data for vehicles as far back as 1996. It covers 21 domestic makes, 15 Asian and optional coverage for 12 European makes. It also features new 2016 domestic and Asian coverage for GM®, Infiniti®, Lexus®, Mazda®, Nissan®, Scion®, Subaru® and Toyota®. The exclusive Fast-Track Troubleshooter coverage goes all the way back to 1980 with 15,300 new tips and timesavers. Plus, the new software offers 23,860 Guided Component Tests, such as training and tips for diesel emission systems, EVAP systems and body systems sub codes engine drive cycles.

The Snap-on Software Subscription program helps technicians get through repairs quickly and accurately by continuously delivering high quality coverage and real-time access to information without having to think about it. Every new upgrade expands the technician's capabilities for late-model and older vehicles, and helps them stay at their maximum earning potential. Not only does the subscription program offer lower weekly or monthly payments, but it rolls in SureTrack for eligible platforms at no additional charge.
