Snap-on Adds Free VERUS PRO Training Solutions Modules to Website

LINCOLNSHIRE, IL, Oct. 20, 2014 – Snap-on has added free VERUS® PRO Training Solutions videos to its website at <http://diagnostics.snapon.com/trainingsolutions>. The 10 modules are designed to help navigate the features and functionality of this top-of-the-line diagnostic and information system that combines an exclusive suite of tools to give technicians the ability to bring all of the answers to the bay wirelessly, in one tool, to manage the job from start to finish.

“The five-minute Snap-on Training Solutions modules were created to teach all of the latest diagnostic techniques so technicians can get the most out of their diagnostic tools,” said Mark Schaefer, director of marketing, Snap-on Diagnostics. “The modules are offered as instructional videos at no charge, and are set up as multi-level training, from basic to advanced levels.”

VERUS PRO Training Solutions modules cover:

- Introduction and Controls
- Diagnostic Capabilities Overview
- Scanner Codes
- Scanner Data - PID Data View
- Scanner Data - Graphing View
- Troubleshooter
- Functional Tests
- Global OBD-II
- Scope/Meter
- Guided Component Tests/Component Information

The Snap-on [Training Solutions modules](#) provide quality product training that is available to technicians 24 hours-a-day, seven days-a-week, when it is most convenient for them. All modules are free-of-charge and technicians can revisit the training sessions as often as necessary to learn at their own pace and comfort level. In addition to VERUS PRO, Training Solutions modules are available for VERUS®, VERDICT®, MODIS™ Ultra, MODIS™, SOLUS Ultra®, SOLUS® PRO, ETHOS®+, ETHOS®, VANTAGE™ Ultra and VANTAGE™ PRO.

Each module is hosted by National Field Trainer Jim Moritz. With over 30 years of experience in automotive diagnostics, engineering, marketing, training and technical support, he has developed over 100 training courses and trained over 100,000 students. His memberships and certifications include NASTF, ETI, SAE and ASE.
